

include/gameobject.hpp

```
graph TD; A[include/gameobject.hpp] --> B[allegro5/allegro.h]; A --> C[vetor.hpp];
```

The diagram illustrates a header file dependency. At the top, a dark gray box contains the text 'include/gameobject.hpp'. Two blue arrows originate from the bottom of this box. The left arrow points to a light gray box containing 'allegro5/allegro.h'. The right arrow points to a white box with a black border containing 'vetor.hpp'.

allegro5/allegro.h

vetor.hpp
